Ever wonder what the family is really about, and what God really intended it to be? Do you want the tools for your family to be the very best you can make it? Now you can understand the role of each member of your family and the family itself as it navigates through the daily challenges in our modern world. - John Paul II: *The Role of the Christian Family in the Modern World (Familiaris Consortio)*.

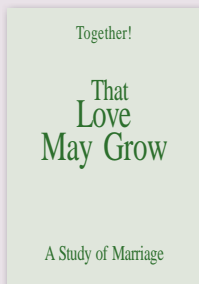

Treat yourself to a little history lesson on what happens when we attempt to thwart the will of the Creator. Learn how to deal with the moral issues connected with creating new human life that many failed to grasp in the twentieth century and even today. These two documents lay out the fundamental essentials of the sanctity of marriage and its inseparable three blessings. - *On Christian Marriage (Casti Connubii)* along with *On Human Life (Humanae Vitae)*.

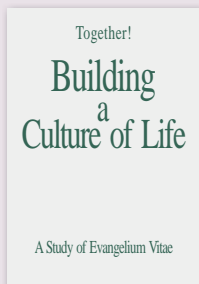

Does God truly care about women? Discover the mission and “genius” of women as presented in these two revealing documents, *The Dignity and Vocation of Women (Mulieris Dignitatem)* and *The Mother of the Redeemer (Redemptoris Mater)*. You will be guided in fifteen easy-to-understand sessions to reflect upon the true meaning, role and vocation of womanhood and motherhood in society and the Church.

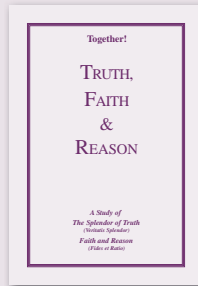

Are you spiritually prepared to carry out your Christian mission? Do you have the means to properly understand and evaluate the moral, cultural and political events happening around you? Are you able to reveal Christ to your children, your family, your neighbors – not just as an opinion but as the truth? - *The Mission of the Redeemer (Redemptoris Missio)*, *Catechesis in our Time (Catechesi Tradendae)* and *The Church in America (Ecclesiae in America)*.

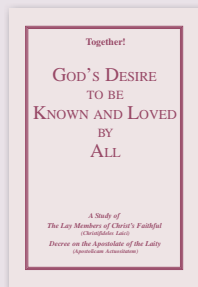

Will your marriage be an institution or a Sacrament? Are you driven by what the world wants? Is now the time for you to shift your focus from the secular world to greater things? This six-session program is essential for Catholics considering marriage and those already married who wish to enrich their lives together. - With excerpts from *Love and Responsibility*, *Familiaris Consortio*, *Ecclesiam Suam*, and *Humanae Vitae*.

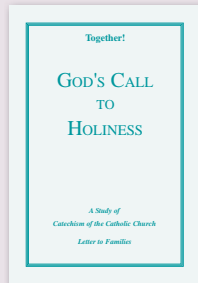

Discover true freedom and joy in knowing you real dignity and value as well as the person of Jesus Christ. Overcome the mentality of the modern world where the person is valued less as an image of God and more according to one's usefulness, efficiency, and productivity. - *The Gospel of Life (Evangelium Vitae)*.

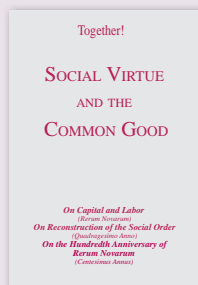

Get right to the heart of modernity's misunderstanding of Truth and learn why only Faith in Christ makes it possible to penetrate this mystery. See for yourself how authentic freedom is a beacon of light in contrast to the “rights” of the world and how John Paul II (The Great) continues to encourage his spiritual children to “be not afraid” to follow Christ in speaking and living Truth. - John Paul II: *The Splendor of Truth (Veritatis Splendor)* and *Faith and Reason (Fides et Ratio)*.

Are you aware that as Catholics our Faith must infect others in our family, at work, in politics and in our social life? It's more than simply participation at Sunday Mass and other church activities. Here are the tools to provide an understanding of the proper and specific role of the laity – to share in the communion and mission of the Church, not as an extension of the clergy but in the forefront of the Church's mission to evangelize all areas of human activity. - *The Lay Members of Christ's Faithful (Christifideles Laici)* and Vatican II Decree on the *Apostolate of the Laity (Apostolicam Actuositatem)*.

Do you allow God to be most fully present in your life and enrich your understanding of the Catholic faith? Are you comfortable relating to God and others in, with and through prayer? How can you make prayer the “dominant element” in your life? Holiness is more than wishful thinking! With this practical fifteen-session program, study how prayer builds relationships, heals wounds and breaks down barriers. Through prayer, come to know yourself. This authentic self-knowledge brings freedom, spiritual balance, peace and fruitfulness.

What is the principle of social organization by which men of differing classes might live in harmony? Why is it that the economic system cannot be viewed outside of the context of a social and political system that honors human dignity? Is the social message of the Gospel only a theory, or is it a basis and motivation for action? Through this study of Catholic social teaching, take up the challenge to overcome the tendency of looking at social and economic questions purely in terms of “public policy” solutions. *Rerum novarum (Leo XIII)*, *Quadragesimo anno (Pius XI)* and *Centesimus annus (John Paul II)*
